

Rewards Program Agreement Updates

As of 12/15/2018, we've updated the *How you can earn Avios points* section to remove reference to earning Avios points on flight purchases made directly with OpenSkies. You'll continue to earn Avios points on purchases made using your card as described in this agreement. This version of the agreement takes the place of any earlier versions.

How you can earn Avios points

- You'll earn Avios points when you, or an authorized user, use a card to make purchases of products and services, minus returns or refunds (collectively, the "purchases"). Buying products and services with your card, in most cases, will count as a purchase; however, the following types of transactions won't count as a purchase and won't earn Avios points:
 - balance transfers
 - cash advances
 - travelers checks, foreign currency, money orders, wire transfers or similar cash-like transactions
 - lottery tickets, casino gaming chips, race track wagers or similar betting transactions
 - any checks that access your account
 - interest
 - unauthorized or fraudulent charges
 - fees of any kind, including an annual fee, if applicable
- You'll earn:**
 - 3 Avios points** for each \$1 spent on flight purchases made directly with Aer Lingus, British Airways, Iberia and LEVEL.
 - 1 Avios point** for each \$1 spent on all other purchases.

Ways to earn bonus Avios points

- We may offer you ways to earn bonus Avios points through this program or special promotions. You'll find out more about the number of bonus Avios points you can earn and any other terms at the time of the offer. The additional terms will be part of this agreement.

Information about earning and transferring Avios points to Aer Lingus

- Avios points are earned at the close of each monthly billing cycle, based on the purchases made during that billing cycle, plus any bonus Avios points posted during that billing cycle, but minus any returns or refunds. If you have more returns or refunds than Avios points earned from purchases or bonuses, then Avios points will be deducted from your total Avios points balance and may result in a negative Avios points balance.
