- › if we decrease the rate at which you earn points
- › if we limit the number of points you can earn

How you can earn points

- You'll earn points on purchases of products and services, minus returns or refunds (collectively, the “purchases”), made with a card by you or an authorized user of the account. Buying products and services with your card, in most cases, will count as a purchase; however, the following types of transactions won't count and won't earn points:
 - › balance transfers
 - › cash advances or cash-like transactions
 - › travelers checks, foreign currency, money orders or wire transfers
 - › lottery tickets, casino gaming chips, race track wagers or similar betting transactions
 - › any checks that access your account
 - › interest
 - › unauthorized or fraudulent charges
 - › fees of any kind, including an annual fee, if applicable

• You'll earn:

- › **5% Cash Back** rewards for each \$1 spent on qualifying purchases made using your card directly through Instacart.com or the Instacart mobile app including Instacart memberships and subscriptions. This equates to \$0.05 in Cash Back rewards, which is equal to 5 points, for each \$1 spent. You may see “5X” in marketing materials to refer to the 5% Cash Back rewards you earn for each \$1 spent on qualifying purchases made using your card directly through Instacart.
 - For example, if you spend \$100 on qualifying Instacart purchases made using your card, you will earn \$5 in Cash Back rewards. \$5 in Cash Back rewards is equal to 500 points.
 - Instacart gift card purchases made using your card will not qualify to earn 5% Cash back rewards.
 - Instacart purchases made using your card directly with Instacart's retail partners or directly through Instacart's third-party providers will not qualify to

Instacart Rewards Program Agreement

earn 5% Cash back rewards.

- › **5% Cash Back** rewards for each \$1 spent on travel purchases booked using your card through the program's Chase Travel Center. This equates to \$0.05 in Cash Back rewards, which is equal to 5 points, for each \$1 spent. You may see "5X" in marketing materials to refer to the 5% Cash Back rewards you earn for each \$1 spent on travel purchases booked using your card through the program's Chase Travel Center.

- For example, if you spend \$100 on travel purchases booked using your card through the program's Chase Travel Center, you will earn \$5 in Cash Back rewards. \$5 in Cash Back rewards is equal to 500 points.
- You can book travel by calling the Chase Travel Center toll-free directly at 1-833-458-0526 or by calling the number on the back of your card.
- If only a portion of your Chase Travel Center booking is paid using your card for travel purchases and the remaining is paid using points, only the portion paid with your card will qualify for earning Cash Back rewards.

- › **2% Cash Back** rewards for each \$1 spent on purchases in the following rewards categories: gas stations; dining at restaurants including takeout and eligible delivery services; select streaming services. This equates to \$0.02 in Cash Back rewards, which is equal to 2 points, for each \$1 spent. You may see "2X" in marketing materials to refer to the 2% Cash Back rewards you earn for each \$1 spent in these categories.

- For example, if you spend \$100 on purchases in these categories, you will earn \$2 in Cash Back rewards. \$2 in Cash Back rewards is equal to 200 points.

- › **1% Cash Back** rewards for each \$1 spent on all other purchases. This equates to \$0.01 in Cash Back rewards, which is equal to 1 point, for each \$1 spent. You may see "1X" in marketing materials to refer to the 1% Cash Back rewards you earn for each \$1 spent on all other purchases.

- For example, if you spend \$100, you will earn \$1 in Cash Back rewards, which is equal to 100 points.

- **Rewards Categories:** Merchants who accept Visa/Mastercard credit cards are assigned a merchant code, which is determined by the merchant or its processor in accordance with Visa/Mastercard procedures based on the kinds of products and services they primarily sell. We group similar merchant codes into categories for purposes of making rewards offers to you. Please note:

- › We make every effort to include all relevant merchant codes in our rewards categories. However, even though a merchant or some of the items that it sells

may appear to fit within a rewards category, the merchant may not have a merchant code in that category. When this occurs, purchases with that merchant won't qualify for rewards offers on purchases in that category.

- › Purchases submitted by you, an authorized user, or the merchant through third-party payment accounts, mobile or wireless card readers, online or mobile digital wallets, or similar technology will not qualify in a rewards category if the technology is not set up to process the purchase in that rewards category. For more information about Chase rewards categories, see chase.com/RewardsCategoryFAQs.

Ways to earn bonus points

- We may offer you ways to earn bonus points through the program or special promotions. You'll find out more about the number of bonus points you can earn and any other terms at the time of the offer. The additional terms will be part of this agreement.

Other information about the earning and availability of points

- Points are earned at the close of each monthly billing cycle, based on the purchases made during that billing cycle, plus any bonus points posted during that billing cycle, but minus any returns or refunds. If you have more returns or refunds than points earned from purchases or bonuses, then points will be deducted from your total point balance and may result in a negative point balance.
- You'll see points you've earned on chase.com and on your monthly card billing statement.
- We may, from time to time, provide additional ways for you to see points you've earned, such as through Chase or third-party mobile application(s).
- Points earned in a monthly billing cycle are generally available to be used at the beginning of the next billing cycle; however, points earned on purchases made near the end of a billing cycle may take up to one additional billing cycle to become available.

How you can use your points

- You can use your points to redeem for any available reward options. Options may include: cash, gift cards, travel, and products or services made available through the program or directly from third parties.
- We may, from time to time, provide additional ways for you to use your points in addition to those described in this agreement, such as through Chase or third parties.
- When you use points to redeem for cash and travel, each point is worth \$.01 (one cent), which means that 100 points equals \$1 in redemption value. Redemption values for other reward options may be worth more or less than this.
- You are responsible for how points are used, including if you allow authorized users to access your points.
- To use your points, minimum and maximum amounts may apply. We'll let you know about any minimum or maximum

Instacart Rewards Program Agreement

amounts, as well as any additional terms and conditions, before you use your points.

- Once points have been used, the transaction is considered final and may not be canceled unless otherwise noted.
- The amount of time it takes for the delivery of items depends on the item. Some items can't be shipped to PO Boxes or foreign addresses.
- Applicable sales/use taxes, fees, surcharges, and shipping and handling charges are your responsibility.
- We're not responsible for replacing lost, stolen or damaged redemption items, including certificates, tickets or gift cards or for a merchant's failure to honor them.

Cash

- You can use points to redeem for cash through an account statement credit or an electronic deposit into an eligible checking or savings account held by a financial institution located in the United States.
- Go to chase.com/instacart or call the number on the back of your card to request your cash.
- Account statement credits will reduce your account balance. Unless the total amount of credits and payments applied to your account between the statement closing date and the payment due date equal or exceed your statement balance, you are still required to pay your minimum payment or your remaining statement balance, whichever is less, by the payment due date.

Travel

- You can use points for available airline tickets, hotel accommodations, car rentals, and cruises through the program.
- Call the Chase Travel Center toll-free directly at 1-833-458-0526 or call the number on the back of your card to book travel.
- A service fee may be charged for using the Chase Travel Center to book travel. We'll let you know of the amount of any service fee, if applicable, before you book.
- If you don't have enough points to book your travel, you can pay the additional cost with your card. You can also book most travel through the program without any points by using your card to pay for it. Minimum point amounts may apply to some bookings.
- Additional terms, conditions and disclosures may apply and will be provided to you before booking your travel and will be part of this agreement.
- For airline ticket, hotel and cruise reservations, government-issued photo identification is required at check-in and must match the name on the reservation. For international travel, a passport is required and a visa may be required along with satisfaction of health requirements. Please contact the consulate of the destination country, as well as any layover and stopover destinations, for current visa/passport and other entry requirements.
- For any change or cancellation requests, please call us directly at 1-833-458-0526 or call the number on the back of

your card. Change or cancellation fees may apply and will be charged directly to your account. Change or cancellation fees are based on the cash price of travel. If a refund is granted for travel booked in whole or in part with points, you'll receive a credit to your points balance for the amount of points used. If you fail to arrive for your booked travel arrangements as scheduled, all payments whether made with points or your card will be forfeited.

- All additional costs, such as baggage fees, seat fees, fees charged by the airlines, passenger facility charges, international entry or departure taxes and/or fees, resort fees, hotel energy surcharges, any charges for one-way car rentals, car add-ons or accessories, incidentals and any applicable local taxes and fees, are at the traveler's expense. Travelers should be prepared to pay in cash, in local currency, on location directly to the travel service provider.
- All airline tickets will be issued as e-tickets, unless e-tickets are not available due to airline restrictions. If an e-ticket is unavailable, you'll be mailed a paper ticket at no charge. However, if an e-ticket is available and you request a paper ticket, you may be charged a service fee and shipping/handling charges. All paper tickets will be shipped within 48 hours to the address you provide.
- For car rentals, minimum age requirements may vary and there may be a maximum age. Some hotels have a minimum age requirement for check-in.

Products and services

- We may give you opportunities to use your points for all or part of a payment for the purchase of eligible products or services directly through third-party merchants or service providers. In order to do so, you must either be automatically enrolled or complete the self-registration process directly with the merchant or service provider.
 - › To participate, you may be required to authorize Chase to share information about your account with the third party. We'll provide you with additional details as required by law.
 - › After you are enrolled, Chase will provide the third party with information about your participation in the program, including your program points balance.
 - › Points will not be used without your permission. You select when and how many points are used each time you make a purchase with the third party, unless you opt into a default payment feature offered by the third party. In that case, your points will be applied automatically in accordance with your selected default payment settings.
 - › The redemption value of points may be worth less when using them directly through third-party merchants or service providers than the redemption value of points used for reward options offered directly through the program.
 - › We'll deduct the number of points that you use from your program points balance. Your points balance may not reflect pending transactions until the order has

Instacart Rewards Program Agreement

shipped.

- › Returns and point refunds are subject to the policies of the third party.
- › Any additional terms, conditions, disclosures or agreements provided by us or the third party related to the use of points will be part of this agreement.

 - Your account will be linked to the account you maintain with the third party, based on the card you save on file with them.
 - You will receive an email from the third party informing you of the auto-enrollment and how to de-enroll if you do not want to participate.
 - You may de-enroll at any time.
- We may give you opportunities to use your points to pay for products or services from third-party merchants directly through the program.
 - › Products or services may not always be available and may change without notice.
 - › The redemption value of points may be worth less than other reward options offered directly through the program.
 - › Any additional terms, conditions, disclosures or agreements provided by us related to the products or services you obtain will be part of this agreement.
