Auto Rental Collision Damage Waiver (Auto Rental CDW)

Benefit Information

What is Auto Rental CDW?

The Auto Rental CDW benefit provides reimbursement for damage due to collision or theft up to the actual cash value of most rental vehicles. Within your country of residence, Auto Rental CDW is secondary coverage which means it supplements, and applies in excess of, any valid and collectible insurance or reimbursement from any source. It does not duplicate insurance provided by or purchased through the auto rental company. Auto Rental CDW will not pay for theft or damage reimbursable by your own insurer, employer, employer's insurance, or any other valid and collectible reimbursement. However, this benefit will pay for the outstanding deductible portion or other charges, including valid administration and loss-of-use charges not covered by your applicable automobile insurance policy.

Outside your country of residence or if you do not have automobile insurance, you do not have to claim payment from any other source of insurance before receiving coverage under this benefit.

What steps do I need to take to ensure that Auto Rental CDW is in effect when I rent a vehicle?

Here's what you need to do:

1. Initiate and complete the entire rental transaction using your card that is eligible for the benefit.
2. Decline the rental company's collision damage waiver or similar provision if it is offered to you. The company may refer to the collision damage waiver as CDW or LDW in their contract or when speaking with you. **If you accept the collision damage waiver offered by the rental company, you will not be eligible for Auto Rental CDW.**

What if the auto rental company insists that I purchase its car insurance or collision damage waiver?

Call the Benefit Administrator for help.

Is there anything else I should do when I'm renting a vehicle?

It's always good practice to review the rental agreement and become familiar with its terms and conditions. Also, make sure you decline the rental company's CDW/LDW option as mentioned above.

Check the vehicle for prior damage before leaving the rental lot. If you notice damage, report it to your rental agent before leaving the lot.

Coverage Information

Who is eligible for coverage?

You, a person to whom a United States (U.S.) credit card has been issued ("Cardholder") and your name is embossed on the card. You are then covered as the primary renter of the vehicle and any additional drivers permitted to operate it under the terms of the rental agreement ("Authorized Person") are also covered.

When and where am I covered?

The benefit is available in the United States and most foreign countries. Coverage is not available where it is prohibited by law or by individual merchants, or is in violation of the territory terms of the rental agreement. **Please note: Regulations vary outside the United States, so we recommend that you check with your auto rental company and Benefit Administrator before you travel to make sure your Auto Rental CDW will apply.**

This benefit is in effect while the rental vehicle remains in your control or in the control of another Authorized Person. Coverage ends when the rental company reassumes control of the vehicle.

What is covered?

Auto Rental CDW reimburses you for covered losses to the rental vehicle while it is in your control or in control of another Authorized Person. The benefit only covers vehicle rental periods that do not exceed or are not intended to exceed **thirty-one (31) consecutive days** within or outside of your country of residence.

Covered losses are:

- Physical damage and/or theft of the covered rental vehicle
- Valid loss-of-use charges assessed by the rental company while the damaged vehicle is being repaired and is not available for use, as substantiated in the company's fleet utilization log
- Reasonable and customary towing charges related to a covered loss to take the vehicle to the nearest qualified repair facility.

Auto Rental CDW is secondary coverage and provides reimbursement up to the actual cash value of the vehicle as it was originally manufactured. Most private passenger automobiles, minivans, and sport utility vehicles are eligible for coverage, but some restrictions may apply.

Claim Information

What do I do if I have an accident or the rental vehicle is stolen?

Call the Benefit Administrator immediately to report theft or damage, regardless of whether your liability has been established. The Benefit Administrator will answer any questions you or the rental agency may have and will then send you a claim form.

Is there a time period during which I must report any incident?

It’s important to report all incidents as soon as possible following the incident. You must report the incident no later than **sixty (60) days**[†] following the date of the theft or damage. We reserve the right to deny any claim containing charges that the Benefit Administrator would not have included had it been notified of those expenses before they were incurred. It’s important that you notify us as soon as possible after any loss. You must make

every reasonable effort to protect the rental vehicle from damage or theft.

How do I file a claim?

Please remember that you, the Cardholder, are responsible for reporting your claim to the Benefit Administrator within sixty (60) days[†] of the date of theft or damage. If the claim is reported after this time frame, your claim may be denied. Please note that reporting the claim to another party will not fulfill your responsibility to report it to the Benefit Administrator.

What documentation do I need to provide to the Benefit Administrator?

- The completed and signed Auto Rental Collision Damage Waiver Claim Form: **Your completed claim form must be postmarked within one hundred (100) days[†] of the date of theft or damage, even if all other required documentation is not yet available. If your claim form is not postmarked within this time frame, your claim may be denied.**
- A copy of your receipt or monthly billing statement showing the last four (4) digits of the account number indicating that the entire vehicle rental was charged to and paid for with your eligible card.

Also, enclose all the documents you received from the car rental company. You should ask the rental company for these documents immediately at the time of the theft or damage or when you return the vehicle to the company:

- A copy of the Accident Report Form and a copy of the demand letter which indicates the costs you are responsible for and any amounts that have been paid toward the claim.
- A copy of the entire auto rental agreement(s)
- A copy of the repair estimate or itemized repair bill
- Two (2) photographs of the damaged vehicle, if available
- A police report, if obtainable
- Any other documentation deemed necessary, in the Benefit Administrator's sole discretion, to substantiate the claim

For faster filing, or to learn more about Auto Rental Collision Damage Waiver visit www.eclaimsline.com

If you experience difficulty in obtaining all the required documents within one hundred (100) days[†] of the date of theft or damage, just submit the claim form and any documentation you have available. **NOTE: All remaining documents not submitted with the claim form must be postmarked within three hundred and sixty-five (365) days of the date of theft or damage.**

[†] Not applicable to residents of certain states.

Do I have to do anything else?

Usually, there is nothing else you need to do. Generally, the claim will be paid within **fifteen (15) days** after the Auto Rental CDW Benefit Administrator has received all documentation needed to fully substantiate your claim. After the Benefit Administrator has paid your claim, all of your rights and remedies against any party regarding the theft or damage to the vehicle will be transferred to the Benefit Administrator to the extent of the cost of payment made to you. You must give the Benefit Administrator

all assistance as may reasonably be required to secure these rights and remedies.

Additional Provisions for Auto Rental CDW: You must make every effort that would be made by a reasonable and prudent person to protect the Rental Vehicle from damage or theft. This provision will not be applied unreasonably to avoid claims.

If you make any claim knowing it to be false or fraudulent in any respect—including, but not limited to, the cost of repair services—you will not be covered for the claim and your benefits may be canceled. You and any other Authorized Person permitted to operate the vehicle under the terms of your rental agreement agree that all representations regarding claims will be accurate and complete. Any and all relevant provisions shall be void in any case of fraud, intentional concealment, or misrepresentation of material fact.

No legal action for a claim may be brought against the Provider until **sixty (60) days** after the Provider receives proof of loss. After the expiration of **three (3) years** from the time written proof of loss was to be provided, no action shall be brought to recover on this coverage. Further, no legal action may be brought against the Provider unless all of the terms in this Guide to Benefits have been complied with fully.

This benefit is provided to you as an eligible Cardholder at no additional cost. The terms and conditions contained in this Guide to Benefits may be modified by subsequent endorsements. Modifications to these terms and conditions may be provided via additional Guide to Benefits mailings, statement inserts, statement messages, or electronic notification. The benefits described in this Guide will not apply to Cardholders whose accounts have been suspended or canceled.

How will I be reimbursed?

At its discretion and depending on the nature and circumstances of the incident, the Benefit Administrator may choose to address your claim in one of two ways:

Yes. If you have personal (i.e. homeowner's, renter's, or automobile) insurance, you are required to file a claim with your insurance company and to submit a copy of any claims settlement from your insurance company along with your claim form.*

At the discretion of the Benefit Administrator, a copy of your personal declaration page may be sufficient when the claim amount is within your personal insurance deductible.

*** Note: Purchase Protection provides coverage on an “excess” coverage basis. That means it does not duplicate, but pays in excess of, valid and collectible insurance or indemnity (including, but not limited to, homeowner, renter, automobile, or employer insurance policies).** After all insurance or indemnity has been exhausted, Purchase Protection will cover the loss up to the amount charged to your Account, and subject to the terms, exclusions, and limits of liability of the benefit. Purchase Protection will also pay for the outstanding deductible portion of your insurance or indemnity for eligible claims. The maximum limit of liability is **five hundred (\$500) dollars** per claim occurrence, and **fifty thousand (\$50,000) dollars** per Account. You will receive no more than the purchase price as recorded. Where a protected item is part of a pair or set, you will receive no more than the value (as described herein) of the particular part or parts, stolen or damaged, regardless of any special value that the item may have as part of such a pair or set, nor more than the proportionate part of an aggregate purchase price of such pair or set. Purchase Protection is not “contributing” insurance, and this “non-contribution” provision shall take precedence over “non-contribution” provisions found in insurance or indemnity descriptions, policies, or contracts.

Additional Provisions for Purchase Protection: This protection provides benefits only to you, the eligible Cardholder, and to whomever receives the eligible gifts you purchase with your Account.

You shall use due diligence and do all things reasonable to avoid or diminish any loss or damage to property protected by this benefit. This provision will not be unreasonably applied to avoid claims.

If you make any claim knowing it to be false or fraudulent in any respect including, but not limited to, the cost of repair services, no coverage shall exist for such claim and your benefits may be canceled. Each Cardholder agrees that any representations regarding claims will be accurate and complete. Any and all relevant provisions shall be void in any case of fraud, intentional concealment, or misrepresentation of material fact by the Cardholder.

After the Benefit Administrator has paid your claim of loss or damage, all your rights and remedies against any party in respect of this loss or damage will be transferred to the Benefit Administrator to the extent of the payment made to you. You must give the Benefit Administrator all assistance as may reasonably be required to secure all rights and remedies.

No legal action for a claim may be brought against the Provider until **sixty (60) days** after the Provider receives proof of loss. No legal action against the Provider may be brought more than **two (2) years** after the time for giving proof of loss. Further, no legal action may be brought against the Provider unless all the terms of this Guide to Benefit have been complied with fully.

This benefit is provided to eligible Cardholders at no additional cost. The terms and conditions contained in this Guide to Benefit may be modified by subsequent endorsements. Modifications to the terms and conditions may be provided via additional Guide to Benefits mailings, statement inserts, statement messages, or electronic notification. Benefit will not apply to Cardholders whose Accounts have been suspended or canceled.
