Please keep the guide with your account information for future reference and call the Benefit Administrator if you have any questions before taking advantage of the benefit.

Auto Rental Collision Damage Waiver

The Auto Rental Collision Damage Waiver benefit provides reimbursement for damages caused by theft or collision up to the Actual Cash Value of most rented cars. Within your country of residence, Auto Rental Collision Damage Waiver is secondary coverage which means it supplements, and applies in excess of, any valid and collectible insurance or reimbursement from any source. The Auto Rental Collision Damage Waiver covers theft, damage, valid loss-of-use charges imposed and substantiated by the auto rental company, administrative fees, and reasonable and customary towing charges (due to a covered theft or damage) to the nearest qualified repair facility. The Auto Rental Collision Damage Waiver covers no other type of loss. For example, in the event of a collision involving Your Rental Vehicle, damage to any other driver's car, the injury of anyone, or damage to anything is not covered. Rental periods up to **thirty-one (31) consecutive days** are covered.

You are covered when Your name is embossed on an eligible card issued in the United States, and You use Your credit card Account and/or rewards programs associated with Your Account to initiate and complete Your entire car rental transaction. Only You, as the primary renter of the vehicle, and any additional drivers permitted by the Rental Car Agreement are covered.

How Does the Auto Rental Collision Damage Waiver Work with Other Insurance?

If You **do** have personal automobile insurance or other insurance that covers theft or damage, this benefit reimburses You for the deductible portion of Your car insurance or other insurance, along with any unreimbursed portion of administrative and loss-of-use charges imposed by the car rental company, as well as reasonable towing charges while the car was Your responsibility.

If You **do not** have personal automobile insurance or any other insurance, this benefit reimburses You for covered theft, damage, or administrative and loss-of-use charges imposed by the rental company, as well as reasonable towing charges that occur while You are responsible for the vehicle.

If You are renting outside of Your country of residence, the coverage provided under this benefit is primary and reimburses You for covered theft, damage, or administrative and loss-of-use charges imposed by the rental company, as well as reasonable towing charges that occur while You are responsible for the vehicle.

How Do You Use the Auto Rental Collision Damage Waiver?

1. Use Your Account to initiate and complete Your entire car rental transaction.
2. During this transaction, review the Rental Car Agreement and **decline** the rental company's collision damage waiver (CDW/LDW) option or a similar provision. **Accepting this coverage will cancel out Your benefit.** If the rental company insists that You purchase their insurance or collision damage waiver, call the Benefit Administrator for assistance.

Before driving out of the lot, check the rental car for any prior damage and bring any damage You identify to the attention of the rental car company.

This benefit is in effect during the time the rental car is in Your (or an authorized driver's) control, and terminates when the rental company reassumes control of their vehicle.

This benefit is available in the United States and most foreign countries. Coverage is not available where precluded by law, or where it's in violation of the territory terms of the auto rental agreement, or when prohibited by individual merchants. If you have questions about where coverage applies, contact the Benefit Administrator before You travel.

What Vehicles Are Not Covered?

Certain vehicles are not covered by this benefit, including: high value motor vehicles, exotic and antique cars (cars over twenty (20) years old or that have not been manufactured for ten (10) years or more), cargo vans, vehicles with open cargo beds, trucks, motorcycles, mopeds, motorbikes, limousines, recreational vehicles, and passenger vans with seating for more than nine (9) people, including the driver (passenger vans with seating for nine (9) or less, including the driver, are covered).

- Examples of high value motor vehicles or exotic car brands not covered are Alfa Romeo, Aston Martin, Bentley, Corvette, Ferrari, Jaguar, Lamborghini, Lotus, Maserati, Maybach, McLaren, Porsche, Rolls Royce, and Tesla; *However, selected models of Audi, BMW, Mercedes-Benz, Cadillac, Infiniti, Land Rover, Lexus, Lincoln, and Range Rover are covered.*

How Do You File a Claim?

It is Your responsibility as a cardholder to make every effort to protect Your Rental Vehicle from damage or theft. If You have an accident or Your Rental Vehicle has been stolen, follow these steps to file Your claim:

All documents must be postmarked within three hundred sixty-five (365) days of the theft or damage date, or Your claim may be denied.

FORM #BAGDELAY CON (02/19)

Extended Warranty Protection

Extended Warranty Protection extends the time period of warranty coverage by one (1) additional year on original eligible warranties of three (3) years or less. Coverage is limited to the original price of the purchased item (as shown on Your itemized sales receipt), less shipping and handling fees, up to a maximum of **ten thousand (\$10,000.00) dollars** per claim and a maximum of **fifty thousand (\$50,000.00) dollars** per Account. The benefit applies to purchases made both inside and outside the U.S. The eligible item must have a valid original manufacturer's U.S. repair warranty of three (3) years or less, a store-purchased dealer warranty, or an assembler warranty. Eligible items given as gifts can also be covered.

You are eligible for this benefit when Your name is embossed on an eligible card issued in the United States, and You charge all or a portion of the cost of an eligible item to Your credit card Account and/or rewards programs associated with Your Account.

If You received or purchased any other applicable extended warranty when You purchased Your item, this benefit will be supplemental to and in excess of that coverage.

How Do You Register a Purchase for Warranty Registration?

When You purchase an eligible item that carries a manufacturer's warranty, You have the option to register Your purchase by calling the Benefit Administrator or by going online to register Your purchase at **www.cardbenefitservices.com**. The Benefit Administrator will tell You where to send copies of Your item's sales receipt and warranty information, so they can be kept on file should You need them. While registration is not required for Extended Warranty Protection, You are encouraged to consider registration to help You take full advantage of Your warranties.

If You choose not to register Your item, be sure to keep Your Chase credit card statement (showing the last four (4) digits of the Account number) reflecting the purchase, the itemized sales receipt, the original manufacturer's written U.S. warranty, and any other applicable warranty You received or purchased when You bought Your item. These documents will be required to verify Your claim.

How Does Extended Warranty Protection Work?

Our benefit extends the time period of warranty coverage by one (1) additional year on original eligible warranties of three (3) years or less. For example, a manufacturer's warranty of three (3) months would be provided with an additional twelve (12) months of coverage for a combined total of fifteen (15) months of coverage. If the manufacturer's warranty is for three years (3), it would be extended one (1) additional year for a combined total of four (4) years.

What's Not Covered?

The Extended Warranty Protection benefit does not cover the following purchases:

- Boats, automobiles, aircraft, and any other motorized vehicles and their motors, equipment, or accessories, including trailers and other items that can be towed by or attached to any motorized vehicle

- Any costs other than those specifically covered under the terms of the original manufacturer's written U.S. repair warranty, as supplied by the original manufacturer or other eligible warranty
- Items purchased for resale, professional, or commercial use
- Rented or leased items
- Computer software
- Medical equipment
- Used or pre-owned items (a refurbished item will be covered as long as it has a warranty with it and would not be considered used or pre-owned)

How Do You File a Claim?

Follow these steps to file Your claim:

1. Contact the Benefit Administrator immediately after the failure of Your covered item. **Please note that if You do not notify the Benefit Administrator within ninety (90) days of product failure, Your claim may be denied.** Gift recipients of eligible items are also covered, but they must provide all the documents needed to substantiate their claim.
2. The Benefit Administrator will ask You some preliminary questions, direct You to the appropriate repair facility, and send You the claim form.
3. Return the completed and signed claim form and requested documentation to the Benefit Administrator, and submit it within **one hundred twenty (120) days of the product failure along with the required documents.**

Filing online is faster: visit www.cardbenefitservices.com

What Documents Will You Need to Provide?

The Benefit Administrator will provide the details, but generally You should be prepared to send:

- Completed and signed claim form
- Chase credit card statement (showing the last four (4) digits of the Account number) demonstrating that the purchase was made on Your Account
- If more than one method of payment was used, please provide documentation as to additional currency, voucher, points, or any other payment method utilized
- Copy of the itemized sales receipt
- Copy of the original manufacturer's written U.S. warranty, and any other applicable warranty
- Description of the item, its serial number, and any other documentation deemed necessary to substantiate Your claim (this includes bills and, if necessary, a copy of the maintenance record and receipts)
- Original repair estimate or repair bill, indicating cause of failure
- Any other documentation deemed necessary by the Benefit Administrator to substantiate the claim

How Will You Be Reimbursed?

If You have substantiated Your claim and met the terms and conditions of the benefit, Your item will be replaced or repaired at the Benefit Administrator's discretion for no more than the original purchase price of the covered item as recorded on Your credit card receipt, less shipping and handling fees, up to a maximum

of **ten thousand (\$10,000.00) dollars** per claim and a maximum of **fifty thousand (\$50,000.00) dollars** per Account. You will be reimbursed up to the amount charged to Your Account or the program limit, whichever is less. Any purchases made using rewards points associated with the Account are eligible for this benefit, and You will only be reimbursed up to the dollar amount to replace or repair the item or the program limit, whichever is less.

If Your item is to be repaired, You may go to an authorized repair facility and file a claim for reimbursement. Only valid and reasonable repairs made at the manufacturer's authorized repair facility are covered.

In either case, the Benefit Administrator's payment, replacement, or repair made in good faith will fulfill the obligation under this benefit.

Lost Luggage

The Lost Luggage benefit provides reimbursement for the difference between the actual cash value (replacement cost less depreciation) and any reimbursement provided by the Common Carrier for the costs you incur to repair or replace Your Checked Baggage, Carry-on Baggage, and/or personal property contained within due to loss, damage, or theft occurring during a Trip.

Your Checked and Carry-on Baggage each have a maximum benefit up to **three thousand (\$3,000.00) dollars** per Covered Person per Trip. Both include a sub-limit up to **five hundred (\$500.00) dollars** for jewelry and watches and a sub-limit up to **five hundred (\$500.00) dollars** for cameras and other electronic equipment per Covered Person per Trip. The benefit amounts for jewelry, watches, cameras, video recorders,

and other electronic equipment are part of and not in addition to the maximum benefit amount. Payment of these benefit amounts reduces and does not increase the maximum benefit.

Items inadvertently left behind on the Common Carrier by the Insured Person are not considered lost or stolen.

You and Your Immediate Family Members are covered when Your name is embossed on an eligible card issued in the United States, and You charge all or a portion of the fare to Your credit card Account and/or Rewards programs associated with Your Account. Immediate Family Member means an individual with any of the following relationships to the Insured Person: Spouse, and parents thereof; sons and daughters, including adopted children and stepchildren; parents, including stepparents; brothers and sisters; grandparents and grandchildren; aunts or uncles; nieces or nephews; and Domestic Partner and parents thereof, including Domestic Partners and spouses of any individual of this definition. Immediate Family Member also includes legal guardians or wards. Immediate Family Members do not need to be traveling with the Cardholder for benefits to apply.

Benefits begin on the trip's Scheduled Departure Date and end on the Scheduled Return Date. In the event the Scheduled Departure Date and/or the Scheduled Return Date are delayed, or the point and time of departure and/or point and time of return are changed because of circumstances over which You nor the Travel Supplier have control, the term of coverage shall be automatically adjusted in accordance with this change. In order for benefits to apply, the loss must occur during the policy period.

If You charge multiple Common Carrier fares on Your Account for Yourself and Your Immediate Family Members, each Insured Person is eligible to receive the benefit.

Please Pay Special Attention to These Conditions of the Lost Luggage Benefit:

- If Your **Checked Baggage** is lost, stolen, or damaged by the Common Carrier or Cruise Line, the loss must be reported to the Common Carrier or Cruise Line within the Common Carrier's or Cruise Line's required timeframe for notification to be eligible for this benefit.

War does not include terrorism.

This benefit is payable on an excess basis over and above any amount due from any other valid or collectible insurance or any other form of reimbursement payable by those responsible for the loss.

Purchase Protection

Purchase Protection protects against theft of, damage to, or involuntary and accidental parting with new retail purchases within **one hundred twenty (120) days** from the date of purchase. Involuntary and accidental parting with property means the unintended separation from an item of personal property when its location is known, but recovery is impractical to complete. At the Benefit Administrator's discretion, this benefit replaces or repairs the item or reimburses You up to the total purchase price of Your item for a maximum of **five hundred (\$500.00) dollars** per claim and **fifty thousand (\$50,000.00) dollars** per Account.

You are eligible for this benefit when Your name is embossed on an eligible card issued in the United States, and You charge all or a portion of the cost of the item to Your credit card Account and/or rewards programs associated with Your Account.

Your maximum recovery under the Purchase Protection benefit is the purchase price of the item as recorded on the eligible card receipt, not to exceed the coverage limit.

What is Covered?

- Eligible items of personal property purchased with Your Account and/or rewards programs associated with Your Account
- Eligible purchases made outside the United States when purchased with Your Account and/or rewards program associated with Your Account
- Gifts purchased for friends and family members if purchased with Your Account and/or rewards programs associated with Your Account
- The outstanding deductible portion of Your other applicable insurance or indemnity for eligible claims

What's Not Covered?

The Purchase Protection benefit does not cover the following purchases:

- Animals and living plants
- Antiques or collectible items
- Boats, aircraft, automobiles, and any other motorized vehicles and their motors, equipment, or accessories, including trailers and other items towable by or attachable to any motorized vehicle
- Computer software
- Items purchased for resale, professional, or commercial use
- Items that are lost, or that "mysteriously disappear," meaning they vanished in an unexplained manner, with no evidence of wrongdoing by one person
- Items under the control and care of a common carrier, including the U.S. Postal Service, airplanes, or a delivery service
- Items in Your baggage on a common carrier unless hand carried or under Your supervision or that of a companion You know, including but not limited to, jewelry, and watches
- Theft or damage stemming from abuse, fraud, hostilities (war, invasion, rebellion, insurrection, terrorist activities, and more); confiscation by authorities (if contraband or illegal); normal wear and tear; flood, earthquake, radioactive contamination; damage from inherent product defects
- Theft or damage from mis-delivery, or voluntarily parting with property
- Medical equipment
- Perishable or consumable items, including but not limited to, cosmetics, perfumes and rechargeable batteries
- Traveler's checks, cash, tickets, credit or debit cards, among other negotiable purchased instruments
- Items used or pre-owned (refurbished items will not be considered used or pre-owned if accompanied by a warranty)

Please Pay Special Attention to These Conditions of Purchase Protection:

- If Your loss involves a portion of a pair or set, You will only be reimbursed for the stolen or damaged item, not the total value of the pair or set. This does not apply to items normally sold as pairs or sets that are not replaceable by purchasing one piece of the pair or set. In this case, before the claim can be finalized, the individual item must be returned to the Benefit Administrator.
- If You have insurance (homeowner's, renter's, car, employer, or any other), You are required to file a claim with Your insurance company and to submit a copy of any claim settlement from Your insurance company along with Your claim form. Purchase Protection provides coverage on an "excess" coverage basis, meaning it does not duplicate coverage but pays for a loss only after valid and collectible insurance or indemnity (including, but not limited to, homeowner's, renter's, automobile, or employer's insurance policies) has been exhausted. At that point, Purchase Protection will cover the loss up to the amount charged to Your Account, subject to the terms, exclusions, and limits of liability of the benefit.

How Do You File a Claim?

Follow these steps to file Your claim:

1. Call the Benefit Administrator within **ninety (90) days of the damage, theft, or involuntary and accidental parting. Please note that if You do not notify the Benefit Administrator within ninety (90) days of product failure, Your claim may be denied.** Gift recipients may file their own claims if they have the necessary substantiating documents.
2. Answer a few questions, so the Benefit Administrator can send You the right claim forms and let You know what other documentation is needed.
3. Return the completed and signed claim form and requested documentation to the Benefit Administrator within **one hundred twenty (120) days of the damage, theft, or involuntary and accidental parting.**

Filing online is faster: visit www.eclaimsline.com

What Documents Will You Need to Provide?

Be sure to include all information regarding Your claim, including the time, place, cause and the amount to either replace or repair the item. The Benefit Administrator will provide the details, but generally You should be prepared to send:

- Completed and signed claim form
- Credit card Account statement (showing the last four (4) digits of the Account number) demonstrating that the purchase was made on Your Account
- If more than one method of payment was used, please provide documentation as to additional currency, voucher, points, or any other payment method utilized
- Copy of the itemized store receipt demonstrating that the purchase was made on Your Account
- Copy of the documentation of any other settlement of the loss (if applicable)
- If the item is repairable, the estimate of repair or a copy of the paid receipt/invoice for the repairs, indicating the type of damage to the claimed item (if applicable)

- Copy of the police report (**made within forty-eight (48) hours of the occurrence in the case of theft**), fire report or incident report to substantiate the loss; if the loss was not reported, please provide a replacement receipt or other sufficient proof of loss deemed eligible solely by Your Benefits Administrator (if applicable)
- Any other documentation deemed necessary by the Benefit Administrator to substantiate the claim

In some cases of damage, You will be asked to send the damaged item, **at Your expense**, along with Your claim in order to substantiate the claim, so make sure to keep the damaged item in Your possession.

How Will You Be Reimbursed?

Once You have met the conditions of this benefit, the Benefit Administrator will resolve Your claim in one of two ways:

- A damaged item may be repaired, rebuilt, or replaced, and a stolen item will be replaced. Typically, You will receive notice of this decision within **fifteen (15) days of receipt of Your claim documentation**.
- You may receive payment to replace Your item, an amount not more than the original purchase price, less shipping and handling charges, up to **five hundred (\$500.00) dollars** per claim and **fifty thousand (\$50,000) dollars** per Account. You will only be reimbursed up to the dollar amount to replace or repair the item or the program limit, whichever is less.
- Any purchases made using rewards points associated with the Account are eligible for this benefit, and You will only be reimbursed up to the dollar amount to replace or repair the item or the program limit, whichever is less.

Travel Accident Insurance

You and Your Immediate Family Members are covered when Your name is embossed on an eligible Card issued in the United States, and You charge all or a portion of a Scheduled Airline fare to Your Credit Card Account and/or Rewards programs associated with Your Account. Immediate Family Member means an individual with any of the following relationships to the Insured Person: Spouse,

and parents thereof; sons and daughters, including adopted children and stepchildren; parents, including stepparents; brothers and sisters; grandparents and grandchildren; aunts or uncles; nieces or nephews; and Domestic Partner and parents thereof, including domestic partners and spouses of any individual of this definition. Immediate Family Member also includes legal guardians or wards.

What Are the Benefit Amounts?

| Coverage | Loss of Life Benefit Amount per Insured Person |
|--|--|
| Common Carrier Travel Accident Insurance | \$500,000.00 |
| 24 Hour Travel Accident Insurance | \$100,000.00 |

The policies will pay the following percentages of the Loss of Life benefit amount for specific Losses:

| Loss | Percentage of Loss of Life Benefit Amount |
|---|---|
| Loss of Speech and Loss of Hearing; Loss of Speech or Hearing and Loss of one Hand, Foot or Sight of One Eye; Loss of Both Hands; Loss of Both Feet; Loss of Sight of Both Eyes; Loss of a combination of any two of a Loss of Hand, Loss of Foot or Loss of Sight of One Eye | 100% |
| Loss of One Hand; Loss of One Foot; Loss of Sight of One Eye; Loss of Speech; Loss of Hearing | 50% |
| Loss of Thumb and Index Finger of the same hand | 25% |

In the event a Loss is eligible for payment under both the Common Carrier Travel Accident benefit and the Twenty-Four (24) Hour Travel Accident benefit, if the Insured Person suffers multiple covered Losses as the result of one (1) Accident, the Company will only pay the single largest Benefit Amount applicable to all covered Losses.

If more than one Insured Person covered under the same Account suffers a Loss in the same Accident, the Company will not pay more than two (2) times the applicable Benefit Amount (the aggregate limit of insurance). If an Accident results in Benefit Amounts becoming payable, which when totaled, exceed two (2) times the applicable Benefit Amount, the aggregate limit of insurance will be divided proportionally, based on applicable benefit amounts owed to all covered persons.

If, subject to all the terms and conditions of this policy an Insured Person is eligible for insurance under multiple Accounts, then such Insured Person will only be insured once, under the Account which provides the Insured Person the largest Benefit Amount for the loss that has occurred.

All benefits, except for Loss of Life, are paid to You. Loss of Life benefits are paid to the beneficiary at the time of death. If the Insured Person has not chosen a beneficiary or if there is no beneficiary alive when the Insured Person dies, then the Company will pay the benefit to the Insured Person's survivors in the following order: 1) Your Spouse or Domestic Partner; 2) Your child(ren); 3) Your parents; 4) Your brothers and sisters; and 5) Your estate. You have the right to name a beneficiary. Beneficiary designations must be submitted in writing to the Benefit Administrator. If any beneficiary has not reached the legal age of majority, then the Company will pay such beneficiary's legal guardian.

What Losses Are Covered Under the Common Carrier Travel Accident Benefit?

Common Carrier Travel Accident Insurance provides coverage for a broad range of Losses – including Accidental Loss of Life, Limb, Sight, Speech or Hearing – that occur while riding as a passenger in, entering, or exiting any Common Carrier. Coverage also extends to cover You while 1) You are riding as a passenger, entering, or exiting any Conveyance licensed to carry the public for hire or 2) any Courtesy Transportation provided without a specific charge and while traveling to and from the airport, terminal, or station: a) immediately preceding the departure of the scheduled Common Carrier on which You have purchased passage; or b) immediately following the arrival of the scheduled Common Carrier on which You were a passenger; or 3) while at the airport, station, or terminal at the beginning or end of a Common Carrier Covered Trip.

A Common Carrier is any motorized land, water, or air Conveyance operated by an organization, structured and licensed for the transportation of passengers for hire and operated by an employee of such organization or an individual under contract.

If the purchase of the Common Carrier passenger fare is not made prior to Your arrival at the airport, terminal, or station, coverage will begin at the time a portion of the cost of the Common Carrier passenger fare is charged to Your Account.

What Losses Are Covered Under the Twenty-Four (24) Hour Travel Accident Benefit?

Twenty-Four (24) Hour Travel Accident Insurance provides coverage for a wide range of Losses that can happen when an Accident occurs while traveling – including Accidental Loss of Life, Limb, Sight, Speech or Hearing – on a twenty-four (24) hour basis. Coverage activates when travel begins on the departure date printed on Your Scheduled Airline ticket and ends on the return date printed on Your Scheduled Airline ticket for trips up to thirty (30) days. For covered trips more than thirty (30) days in length, coverage will end at 12:01 a.m. on the thirty-first (31st) day of the trip. Coverage will be reactivated only for Your return trip while You are 1) on a Scheduled Airline; 2) riding as a passenger in, entering, or exiting any Conveyance licensed to carry the public for hire or any Courtesy Transportation provided without a specific charge and while traveling to and from the airport: a) immediately preceding the departure of the scheduled Common Carrier on which You have purchased passage; or b) immediately following the arrival of the scheduled Common Carrier on which You were a passenger; or 3) while at the airport immediately preceding or following departure.

For Both Common Carrier Travel Accident Insurance and Twenty-Four (24) Hour Travel Accident Benefits:

- If, due to an Accident, You have not been found within one (1) year of the disappearance, stranding, sinking, or wrecking of any Conveyance in which You were an occupant at the time of the Accident, then it will be assumed that You have suffered a Loss of Life while insured under the policy.
- If, due to an Accident, You are unavoidably exposed to the elements and as a result of this exposure suffer a Loss, this will be covered under the policy.

In order to be covered under either policy, the Loss must occur within one (1) year after the Accident.
