## Auto Rental Collision Damage Waiver

---

The Auto Rental Collision Damage Waiver benefit provides reimbursement for damages caused by theft or collision up to the Actual Cash Value of most rented cars. The Auto Rental Collision Damage Waiver covers theft, damage, valid loss-of-use charges imposed and substantiated by the auto rental company, administrative fees, and reasonable and customary towing charges (due to a covered theft or damage) to the nearest qualified repair facility. The Auto Rental Collision Damage Waiver covers no other type of loss. For example, in the event of a collision involving Your Rental Vehicle, damage to any other driver's car, the injury of anyone, or damage to anything is not covered. Rental periods up to **thirty-one (31) consecutive days** are covered.

You are covered when Your name is embossed on an eligible card issued in the United States, and You use Your business credit card Account and/or rewards programs associated with Your Account, or if You are authorized by Your company to rent an eligible vehicle using the company's eligible Account, to initiate and complete Your entire car rental transaction. Only You, as the primary renter of the vehicle, and any additional drivers permitted by the Rental Car Agreement are covered.

If the Rental Vehicle is for commercial and/or business purposes or if You are renting outside of Your country of residence, Your Auto Rental Collision Damage Waiver benefit acts as primary coverage. Reimbursement is up to the Actual Cash Value of the vehicle.

If the vehicle rental is for authorized personal reasons, this benefit is secondary coverage, supplemental to Your personal automobile insurance, meaning You may only be reimbursed for the amount of Your personal insurance deductible or other charges, including valid administrative and loss-of-use charges not covered under Your personal insurance policy. If You are renting outside your country of residence, or if You do not have automobile insurance, Your Auto Rental CDW acts as primary coverage.

### How Do You Use the Auto Rental Collision Damage Waiver?

1. Use Your Account or Your company's eligible Account to initiate and complete Your entire car rental transaction.
2. During this transaction, review the Rental Car Agreement and **decline** the rental company's collision damage waiver (CDW/LDW) option or a similar provision. **Accepting this coverage will cancel out Your benefit.** If the rental company insists that You purchase their insurance or collision damage waiver, call the Benefit Administrator for assistance.

***Before driving out of the lot, check the rental car for any prior damage and bring any damage You identify to the attention of the rental car company.***

This benefit is in effect during the time the rental car is in Your (or an authorized driver's) control, and terminates when the rental company reassumes control of their vehicle.

This benefit is available in the United States and most foreign countries. Coverage is not available where precluded by law, or where it's in violation of the territory terms of the auto rental agreement, or when prohibited by individual merchants. If you have questions about where coverage applies, contact the Benefit Administrator before You travel.

## What Vehicles Are Not Covered?

Certain vehicles are not covered by this benefit, including: high value motor vehicles, exotic and antique cars (cars over twenty (20) years old or that have not been manufactured for ten (10) years or more), cargo vans, vehicles with open cargo beds, trucks, (other than pick-ups), motorcycles, mopeds, motorbikes, limousines, recreational vehicles, and passenger vans with seating for more than nine (9) people, including the driver (passenger vans with seating for nine (9) or less, including the driver, are covered).

***Wondering if coverage applies to a specific type of vehicle?  
Contact the Benefit Administrator.***

## How Do You File a Claim?

It is Your responsibility as a cardholder to make every effort to protect Your Rental Vehicle from damage or theft. If You have an accident or Your Rental Vehicle has been stolen, follow these steps to file Your claim:

1. At the time of the theft or damage, or when You return the Rental Vehicle, request the following documents from Your car rental company:

2. Call the Benefit Administrator to report the theft or damage, regardless of who is at fault and whether Your liability has been established, as soon as possible but no later than **sixty (60) days from the date of the incident**. Any claim containing charges that would not have been included if notification occurred before the expenses were incurred may be declined, so it is important to notify the Benefit Administrator immediately after an incident. Reporting to any other person will not fulfill this obligation.
3. Submit the documents listed above along with the following documents to the Benefit Administrator:
  - Completed and signed Auto Rental Collision Damage Waiver claim form postmarked within **one hundred (100) days\*** of the theft or damage date, even if all other required documentation is not yet available, or Your claim may be denied

**\*Not applicable to residents in certain states**

*All documents must be postmarked within three hundred sixty-five (365) days of the theft or damage date, or Your claim may be denied.*

The Benefit Administrator will direct You where to send copies of Your item's sales receipt and warranty information, so they can be kept on file should You need them. While registration is not required for Extended Warranty Protection, You are encouraged to consider registration to help You take full advantage of Your warranties.

If You choose not to register Your item, be sure to keep Your Chase business credit card Account statement (showing the last four (4) digits of the Account number) reflecting the purchase, the itemized sales receipt, the original manufacturer's written U.S. warranty, and any other applicable warranty information You received or purchased when You bought Your item. These documents will be required to verify Your claim.

## How Does Extended Warranty Protection Work?

Extended Warranty Protection extends the time period of warranty coverage by one (1) additional year on original eligible warranties of three (3) years or less. For example, a manufacturer's warranty of three (3) months would be provided with an additional twelve (12) months of coverage for a combined total of fifteen (15) months of coverage. If the manufacturer's warranty is for three (3) years, it would be extended one (1) additional year for a combined total of four (4) years.

## What's Not Covered?

The Extended Warranty Protection benefit does not cover the following purchases:

- Boats, automobiles, aircraft, and any other motorized vehicles and their motors, equipment, or accessories, including trailers and other items that can be towed by or attached to any motorized vehicle
- Any costs other than those specifically covered under the terms of the original manufacturer's written U.S. repair warranty, as supplied by the original manufacturer or other eligible warranty
- Items purchased for resale
- Rented or leased items
- Computer software
- Medical equipment
- Used or pre-owned items (a refurbished item will be covered as long as it has a warranty with it and would not be considered used or pre-owned)

## How Do You File a Claim?

Follow these simple steps to file Your claim:

1. Contact the Benefit Administrator immediately after the failure of Your covered item. **Please note that if You do not notify the Benefit Administrator within ninety (90) days of product failure, Your claim may be denied.** Gift recipients of eligible items are also covered, but they must provide all the documents needed to substantiate their claim.
2. The Benefit Administrator will ask You some preliminary questions, direct You to the appropriate repair facility, and send You the claim form.
3. Return the completed and signed claim form and requested documentation to the Benefit Administrator, and submit it within **one hundred twenty (120) days of the product failure along with the required documents.**

*Filing online is faster: visit [www.cardbenefitservices.com](http://www.cardbenefitservices.com)*

## What Documents Will You Need to Provide?

- Original repair estimate or repair bill, indicating cause of failure
- Any other documentation deemed necessary by the Benefit Administrator to substantiate the claim

## How Will You Be Reimbursed?

Once You have substantiated Your claim and met the terms and conditions of the benefit, Your item will be replaced or repaired at the Benefit Administrator's discretion for no more than the original purchase price of the covered item as recorded on Your credit card receipt, less shipping and handling fees, up to a maximum of **ten thousand (\$10,000.00) dollars** per claim and a maximum of **fifty thousand (\$50,000.00) dollars** per Year. You will be reimbursed up to the amount charged to Your Account or the program limit, whichever is less. Any purchases made using rewards points associated with the Account are eligible for this benefit, and You will only be reimbursed up to the dollar amount to replace or repair the item or the program limit, whichever is less.

If it is determined that Your item can be repaired, You may go to an authorized repair facility and file a claim for reimbursement. Only valid and reasonable repairs made at the manufacturer's authorized repair facility are covered.

In either case, the Benefit Administrator's payment, replacement, or repair made in good faith will fulfill the obligation under this benefit.

## Lost Luggage Reimbursement

---

The Lost Luggage benefit provides reimbursement for the difference between the actual cash value (replacement cost less depreciation) and any reimbursement provided by the Common Carrier for the costs You incur to repair or replace Your Checked Baggage, Carry-on Baggage, and/or personal property contained within due to loss, damage, or theft occurring during a Trip.

Your Checked and Carry-on Baggage each have a maximum benefit up to **three thousand (\$3,000.00) dollars** per Covered Person per Trip. Both include a sub-limit up to **five hundred (\$500.00) dollars** for jewelry and watches and a sub-limit up to **five hundred (\$500.00) dollars** for cameras and other electronic equipment per Covered Person per Trip. The benefit amounts for jewelry, watches, cameras, video recorders, and other electronic equipment are part of and not in addition to the maximum benefit amount. Payment of these benefit amounts reduces and does not increase the maximum benefit.

***Items You inadvertently leave behind on the Common Carrier are not considered lost or stolen.***

The Cardholder, Immediate Family Members, and person(s) employed by the company for which the Chase business credit card Account is issued are covered when the Cardholder’s name is embossed on an eligible card issued in the United States, and the Cardholder charges all or a portion of the cost of the fare to his or her business credit card Account and/or Rewards programs associated with the Account. Immediate Family Member means an individual with any of the following relationships to the Cardholder: Spouse, and parents thereof; sons and daughters, including adopted children and stepchildren; parents, including stepparents; brothers and sisters; grandparents and grandchildren; aunts or

uncles; nieces or nephews; and Domestic Partner and parents thereof, including Domestic Partners and spouses of any individual of this definition. Immediate Family Member also includes legal guardians or wards. Immediate Family Members and person(s) employed by the company for which the Chase business credit card Account is issued do not need to be traveling with the Cardholder for benefits to apply.

Benefits begin on the Trip's Scheduled Departure Date and end on the Scheduled Return Date. In the event the Scheduled Departure Date and/or the Scheduled Return Date are delayed or the point and time of departure and/or point and time of return are changed because of circumstances over which You nor the Travel Supplier have control, the term of coverage shall be automatically adjusted in accordance with this change. In order for benefits to apply, the loss must occur during the policy period.

If the Cardholder charges multiple Common Carrier fares to his or her Chase business credit card Account for a Trip, each Covered Person is eligible to receive the benefit.

### Please Pay Special Attention to These Conditions of the Lost Luggage Benefit:

- If Your **Checked Baggage** is lost, stolen, or damaged by the Common Carrier or Cruise Line, the loss must be reported to the Common Carrier or Cruise Line within the Common Carrier's or Cruise Line's required timeframe for notification to be eligible for this benefit.
- If Your **Carry-On Baggage** is lost, stolen, or damaged by the Common Carrier or Cruise Line, it must be reported to the Common Carrier or Cruise Line as soon as You exit the Conveyance.
- This benefit does not apply to any loss caused by or resulting from, directly or indirectly: War, undeclared war, civil war, insurrection, rebellion, revolution, warlike acts by a military force or personnel, any action taken in hindering or defending against any of these, the destruction or seizure of property for a military purpose, or any consequences of any of these acts regardless of any other direct or indirect cause or event, whether covered or not, contributing in any sequence to the loss. War does not include terrorism.

***This benefit is payable on an excess basis over and above any amount due from any other valid or collectible insurance or any other form of reimbursement payable by those responsible for the loss.***

### What's Not Covered?

The Lost Luggage benefit does not apply to loss or theft of the following:

- Items that have been removed from Carry-On Baggage by You and inadvertently left behind on the Common Carrier or Cruise Line

- Checks

## Purchase Protection

---

Purchase Protection protects against theft of, damage to, or involuntary and accidental parting with new retail purchases within **one hundred twenty (120) days** from the date of purchase. Involuntary and accidental parting with property means the unintended separation from an item of personal property when its location is known, but recovery is impractical to complete. At the Benefit Administrator's discretion, this benefit replaces or repairs the item or reimburses You up to the total purchase price of Your item for a maximum of **ten thousand (\$10,000.00) dollars** per claim and **fifty thousand (\$50,000.00) dollars** per Account.

You are eligible for this benefit when Your name is embossed on an eligible card issued in the United States, and You charge all or a portion of the cost of the item to Your Chase business credit card Account and/or rewards programs associated with Your Account.

***Your maximum recovery under the Purchase Protection benefit is the purchase price of the item as recorded on the eligible card receipt, not to exceed the coverage limit.***

## What is Covered?

- Eligible items of personal property purchased with Your business credit card Account and/or rewards programs associated with Your Account
- Eligible purchases made outside the United States when purchased with Your Account and/or rewards program associated with Your Account
- Gifts purchased for friends and family members if purchased with Your Account and/or rewards programs associated with Your Account
- The outstanding deductible portion of Your other applicable insurance or indemnity for eligible claims

## What's Not Covered?

The Purchase Protection benefit does not cover the following purchases:

- Boats, aircraft, automobiles, and any other motorized vehicles and their motors, equipment, or accessories, including trailers and other items towable by or attachable to any motorized vehicle
- Computer software
- Items purchased for resale
- Items that are lost, or that "mysteriously disappear," meaning they vanished in an unexplained manner, with no evidence of wrongdoing by one person
- Items under the control and care of a common carrier, including the U.S. Postal Service, airplanes, or a delivery service
- Items in Your baggage on a common carrier unless hand carried or under Your supervision or that of a companion You know, including but not limited to, jewelry, and watches
- Theft or damage stemming from abuse, fraud, hostilities (war, invasion, rebellion, insurrection, terrorist activities, and more); confiscation by authorities (if contraband or illegal); normal wear and tear; flood, earthquake, radioactive contamination; damage from inherent product defects

- Items used or pre-owned (refurbished items will not be considered used or pre-owned if accompanied by a warranty)

## Please Pay Special Attention to These Conditions of Purchase Protection:

- If Your loss involves a portion of a pair or set, You will only be reimbursed for the stolen or damaged item, not the total value of the pair or set. This does not apply to items normally sold as pairs or sets that are not replaceable by purchasing one piece of the pair or set. In this case, before the claim can be finalized, the individual item must be returned to the Benefit Administrator.
- If You have insurance (homeowner's, renter's, car, employer, or any other), You are required to file a claim with Your insurance company and to submit a copy of any claim settlement from Your insurance company along with Your claim form. Purchase

Protection provides coverage on an “excess” coverage basis, meaning it does not duplicate coverage but pays for a loss only after valid and collectible insurance or indemnity (including, but not limited to, homeowner’s, renter’s, automobile, or employer’s insurance policies) has been exhausted. At that point, Purchase Protection will cover the loss up to the amount charged to Your Account, subject to the terms, exclusions, and limits of liability of the benefit.

## How Do You File a Claim?

Follow these steps to file Your claim:

1. Call the Benefit Administrator within **ninety (90) days of the damage, theft, or involuntary and accidental parting**. **Please note that if You do not notify the Benefit Administrator within ninety (90) days of product failure, Your claim may be denied.** Gift recipients may file their own claims if they have the necessary substantiating documents.
2. Answer a few questions, so the Benefit Administrator can send You the right claim forms and let You know what other documentation is needed.

- Any other documentation deemed necessary by the Benefit Administrator to substantiate the claim

In some cases of damage, You will be asked to send the damaged item, at Your expense, along with Your claim in order to substantiate the claim, so make sure to keep the damaged item in Your possession.

## How Will You Be Reimbursed?

Once You have met the conditions of this benefit, the Benefit Administrator will resolve Your claim in one of two ways:

- A damaged item may be repaired, rebuilt, or replaced, and a stolen item will be replaced. Typically, You will receive notice of this decision within **fifteen (15) days of receipt of Your claim documentation**.
- You may receive payment to replace Your item, an amount not more than the original purchase price, less shipping and handling charges, up to **ten thousand (\$10,000.00) dollars** per claim and **fifty thousand (\$50,000.00) dollars** per Account. You will only be reimbursed up to the dollar amount to replace or repair the item or the program limit, whichever is less.

## Travel Accident Insurance

The Cardholder and Immediate Family Members, and person(s) employed by the company for which the Chase business Credit Card Account is issued are covered when the Cardholder’s name is embossed on an eligible Card issued in the United States, and the Cardholder charges all or a portion of a Scheduled Airline fare to his or her Chase business Credit Card Account and/or Rewards programs associated with the Account. Immediate Family Member means an individual with any of the following relationships to the Cardholder: Spouse, and parents thereof; sons and daughters, including adopted children and stepchildren; parents, including stepparents; brothers and sisters; grandparents and grandchildren; aunts or uncles; nieces or nephews; and Domestic Partner and parents thereof, including domestic partners and spouses of any individual of this definition. Immediate Family Member also includes legal guardians or wards.

### What Are the Benefit Amounts?

Coverage	Loss of Life Benefit Amount per Insured Person
Common Carrier Travel Accident Insurance	\$500,000.00
24 Hour Travel Accident Insurance	\$100,000.00

The policies will pay the following percentages of the Loss of Life benefit amount for specific Losses:

Loss	Percentage of Loss of Life Benefit Amount
Loss of Speech and Loss of Hearing; Loss of Speech or Hearing and Loss of one Hand, Foot or Sight of One Eye; Loss of Both Hands; Loss of Both Feet; Loss of Sight of Both Eyes; Loss of a combination of any two of a Loss of Hand, Loss of Foot or Loss of Sight of One Eye	100%
Loss of One Hand; Loss of One Foot; Loss of Sight of One Eye; Loss of Speech; Loss of Hearing	50%
Loss of Thumb and Index Finger of the same hand	25%

In the event a Loss is eligible for payment under both the Common Carrier Travel Accident benefit and the Twenty-Four (24) Hour Travel Accident benefit, if You suffer multiple covered Losses as the result of one (1) Accident, the Company will only pay the single largest Benefit Amount applicable to all covered Losses.

If more than one Insured Person covered under the same Account suffers a Loss in the same Accident, the Company will not pay more than two (2) times the applicable Benefit Amount (the aggregate limit of insurance). If an Accident results in Benefit Amounts becoming payable, which when totaled, exceed two (2) times the applicable Benefit Amount, the aggregate limit of insurance will be divided proportionally, based on applicable benefit amounts owed to all covered persons.

If, subject to all the terms and conditions of this policy You are eligible for insurance under multiple Accounts, then You will only be insured once, under the Account which provides You the largest Benefit Amount for the loss that has occurred.

All benefits, except for Loss of Life, are paid to You. Loss of Life benefits are paid to the beneficiary at the time of death. If You have not chosen a beneficiary or if there is no beneficiary alive when You die, then the Company will pay the benefit to Your survivors in the following order: 1) Your Spouse or Domestic Partner; 2) Your child(ren); 3) Your parents; 4) Your brothers and sisters; and 5) Your estate. You have the right to name a beneficiary. Beneficiary designations must be submitted in writing to the Benefit Administrator. If any beneficiary has not reached the legal age of majority, then the Company will pay such beneficiary's legal guardian.

## What Losses Are Covered Under the Common Carrier Travel Accident Benefit?

Common Carrier Travel Accident Insurance provides coverage for a broad range of Losses – including Accidental Loss of Life, Limb, Sight, Speech or Hearing – that occur while riding as a passenger in, entering, or exiting any Common Carrier. Coverage also extends to cover You while 1) You are riding as a passenger, entering, or

exiting any Conveyance licensed to carry the public for hire or 2) any Courtesy Transportation provided without a specific charge and while traveling to and from the airport, terminal, or station: a) immediately preceding the departure of the scheduled Common Carrier on which You have purchased passage; or b) immediately following the arrival of the scheduled Common Carrier on which You were a passenger; or 3) while at the airport, station, or terminal at the beginning or end of a Common Carrier Covered Trip.

A Common Carrier is any motorized land, water, or air Conveyance operated by an organization, structured and licensed for the transportation of passengers for hire and operated by an employee of such organization or an individual under contract.

If the purchase of the Common Carrier passenger fare is not made prior to Your arrival at the airport, terminal, or station, coverage will begin at the time a portion of the cost of the Common Carrier passenger fare is charged to the Cardholder's Account.

## What Losses Are Covered Under the Twenty-Four (24) Hour Travel Accident Benefit?

Twenty-Four (24) Hour Travel Accident Insurance provides coverage for a wide range of Losses that can happen when an Accident occurs while traveling – including Accidental Loss of Life, Limb, Sight, Speech or Hearing – on a twenty-four (24) hour basis. Coverage activates when travel begins on the departure date printed on Your Scheduled Airline ticket and ends on the return date printed on Your Scheduled Airline ticket for trips up to thirty (30) days. For covered trips more than thirty (30) days in length, coverage will end at 12:01 a.m. on the thirty-first (31st) day of the trip. Coverage will be reactivated only for Your return trip while You are 1) on a Scheduled Airline; 2) riding as a passenger in, entering, or exiting any Conveyance licensed to carry the public for hire or any Courtesy Transportation provided without a specific charge and while traveling to and from the airport: a) immediately preceding the departure of the scheduled Common Carrier on which You have purchased passage; or b) immediately following the arrival of the scheduled Common Carrier on which You were a passenger; or 3) while at the airport immediately preceding or following departure.

### For Both Common Carrier Travel Accident Insurance and Twenty-Four (24) Hour Travel Accident Benefits:

- If, due to an Accident, You have not been found within one (1) year of the disappearance, stranding, sinking, or wrecking of any Conveyance in which You were an occupant at the time of the Accident, then it will be assumed that You have suffered a Loss of Life while insured under the policy.
- If, due to an Accident, You are unavoidably exposed to the elements and as a result of this exposure suffer a Loss, this will be covered under the policy.

***In order to be covered under either policy, the Loss must occur within one (1) year after the Accident.***

- If You suffer a loss causing Trip Cancellation or Trip Interruption, You must immediately notify the appropriate Travel Supplier of such cancellation. If such notification by You does not occur and failure to notify the Travel Supplier results in the surrender of Non-Refundable Eligible Travel Expenses, that would have otherwise been refundable had You notified the Travel Supplier, no benefit shall be payable. If a loss prevents You from providing the notification, the benefit may still apply.
- No coverage will be provided for a Trip that is scheduled to last longer than sixty (60) days. If a Trip exceeds sixty (60) days in duration, We will only reimburse the pro-rated portion of any Non-Refundable pre-paid Eligible Travel Expenses up to the first sixty (60) days of the Trip.
- In no event will We pay more than the benefit amount. In no event will We pay more than the Maximum Benefit Amount per twelve (12) Month Period in any twelve (12) consecutive month period regardless of the number of Trip Cancellation or Trip Interruption claims made in that twelve (12) month period. Payment is also limited to the Maximum Benefit Amount per Trip.
- The Travel Supplier's cancellation provisions in effect at the time the Travel Supplier is notified of a cancellation
- In the event that Your Trip Cancellation or Trip Interruption results in a credit for future travel, accommodations, or other consideration being issued by the Travel Supplier, no benefits shall be payable for that portion of the Eligible Travel Expenses which such credit represents until such credit expires.
- No benefit will be paid for any Eligible Travel Expense unless a portion of such Eligible Travel Expense has been charged to the Account.
- We will not reimburse additional transportation expenses incurred by You other than those described above. This includes the difference in cost between the original fare or any new fare to return home or rejoin the Trip.
